Welcome Message

Namaste ■■■■

It's a great honour and distinct pleasure to invite you all to MCNS 2025 to be held in Kolhapur-an epitome of beauty , richness of art, culture and history .

Aligning with our theme - "shifting paradigms ,emerging trends and unleashing possibilities..."; will feature the best works in this specialised academic frontier with a diverse program featuring plenary lectures, symposia, hands on lab cadaveric dissection, videos, interesting and challenging cases, poster presentations, and orations.

The conference is to be held from 14th to 16 th February 2025 at Hotel Sayaji, Kolhapur. It will be a scientific treat along with a cultural feast for all. Sharing knowledge, improving skills and showcasing your work will be at its best.

I'd like to extend my sincere appreciation to the Scientific Committee of MCNS 2025 for curating a comprehensive and engaging program for our esteemed event.

With a diverse range of topics and esteemed speakers, this conference promises to be an academic feast! Plan your lectures, explore learning topics, and seize this exceptional opportunity to learn from and share knowledge with fellow experts.

To ensure a seamless and enjoyable experience for all, kindly review the guidelines provided for speakers and chairpersons. Your cooperation will enable us to maintain discipline and ease throughout the event.

We would be delighted to have your esteemed presence at the conference, sharing and reflecting with the doyens and leaders of the field, would truly enrich and illumine the proceedings, taking it to a higher level.

Thank you, and we look forward to welcoming you to MCNS 2025 Kolhapur!

ACUTE NEUROLOGICAL EMERGENCIES WORKSHOP

Dear Friends,

It gives us immense pleasure to announce that Midwest Chapter of Neurological Surgeons will be organizing a one day Workshop on Acute Neuro Care on 14th February 2025.

Acute Neuro Care (ANC) is a course and workshop designed by Indian Society of Neuroanaesthesia and Critical Care (ISNACC) and Neurocritical Care Society of India (NCSI) focused on clinical management of acute neuro emergencies with interactive skill stations. The aim of the program is to enable Emergency Physicians, Neuroanaesthetists, Neurosurgeons, Intensivists, Neurologists to deal with acute neurologically ill patients.

During the course standard protocol-based approach will be imparted through didactic lectures and interactive skill stations with hands on training. During the workshop the emergencies to be discussed are Acute Ischemic Stroke, Intracerebral Hemorrhage, Status Epilepticus, Subarachnoid Hemorrhage, Meningitis and Encephalitis, Airway Management in a patient with Raised Intracranial Pressure, Traumatic Brain Injury, Traumatic Spine Injury and Neuromuscular weakness.

We look forward to welcoming you all there.

Best regards
